DOUGLAS COUNTY SCHOOL DISTRICT VOTERS, JUNE 2023

12. Proposition HH is a statewide measure that addresses rising property taxes in Colorado & will be on the November ballot. Among other things, Prop HH would limit or cap recent increases in assessed rates for Douglas County property owners. Prop HH does not address the differences between districts in local school funding. Knowing this, are you more or less likely to vote yes on the proposed school funding measures 5a & 5b?

DOUGLAS COUNTY SCHOOL DISTRICT VOTERS, JUNE 2023

13. Agree/disagree: Recent increases in assessment rates will increase the cost of homeownership in Douglas County. However, additional revenue from property taxes doesn't increase total funding for local schools. When the school district receives more property tax funding locally, the state contributes less, resulting in no change to total school district funding. A local mill levy override & bond measure are needed this November to fully fund our schools at the local level

DOUGLAS COUNTY SCHOOL DISTRICT VOTERS, JUNE 2023

13. Agree/disagree: Recent increases in assessment rates will increase the cost of homeownership in Douglas County. However, additional revenue from property taxes doesn't increase total funding for local schools. When the school district receives more property tax funding locally, the state contributes less, resulting in no change to total school district funding. A local mill levy override & bond measure are needed this November to fully fund our schools at the local level
